

Holiday Farm Fire Small Business Recovery Program

Supporting Small Businesses in Rebuilding Stronger

About the Program

The Holiday Farm Fire Small Business Recovery Program provides direct financial support to small businesses impacted by the Holiday Farm Fire. These funds are designed to help businesses recover, stabilize, and continue serving the McKenzie River Valley community.

Who Can Apply

- Small businesses directly impacted by the Holiday Farm Fire
- Businesses operating within the affected region
- Owners seeking support for recovery expenses such as operating costs, inventory replacement, equipment, or repairs

Grant Details

- **Flexible use of funds for recovery needs**
- **No repayment required**

Why Apply?

This program is here to help businesses:

- Reopen and stabilize operations
- Retain jobs and support employees
- Restore critical services in the community

How to Apply

- Application materials available online at communitylendingworks.org (**link will go live in December 2025**)
- Assistance available through McKenzie Valley Long-Term Recovery Group (MVLTRG) for outreach and CLW for application support

Program Partners

This program is administered by Community LendingWorks (CLW) in partnership with Lane County and funded through PIER disaster recovery funds.

For Questions or Support:

Contact CLW at (541)345-0446 or maxwell@communitylendingworks.org

Or connect with MVLTRG for local application assistance.
